

Hi Everyone,

What a brilliant start to our fundraising - after two days of bucket shaking in a busy Touchwood, six musicians playing carols & loads of smart enthusiastic scouts with parents.

We've re-checked our bags of coins collected & can confirm that we have raised after

minimal expenses the grand total of **£2256!**

**Congratulations on such a
fantastic team effort!!**

There were many comments on how smart we looked & how great the music sounded - you should all be very proud of your achievements.

To add to our total we had a bucket shake at the original jamboree presentation back in

October & a collection at our first jamboree meeting which together raised **£63.**

Adrian Butterworth is now going to the bank this week with two suitcases containing a total

of **£2319!** (Only another £35,181 left to raise...)

Finally, may I wish everyone a very merry christmas & a happy new year. I look forward to working, scouting & socialising with you all throughout 2010!

With regards

Paul
